Industrial-grade Wireless Smart Multi-Sensor Device GS1

Model No.: GS1-AETH1RS

FCC ID : 2AMFC-GS1-AETH1RS

IC : 24405-GS1AETH1RS

DC 3.7V by Rechargeable Li-ion Battery

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Industrial-grade Wireless Smart Multi-Sensor Device GS1

Model No.: GS1-A

FCC ID : 2AMFC-GS1-AETH1RS

IC : 24405-GS1AETH1RS

DC 3.7V by Rechargeable Li-ion Battery

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Industrial-grade Wireless Smart Multi-Sensor Device GS1

Model No.: GS1-AL4G1RS

FCC ID : 2AMFC-GS1-AETH1RS

IC : 24405-GS1AETH1RS

DC 3.7V by Rechargeable Li-ion Battery

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
